If you filed a 2018 federal income tax return and submitted it to the Internal Revenue Service (IRS), we are requesting a signed copy of your 2018 federal tax return 1040 (along with schedules 1, 2, 3, C, or K-1 if filed) to complete the verification process. If you did not keep a copy of your federal tax form, you must request a tax return transcript from the IRS. If you did not file, and are not required to file a 2018 tax return, complete and sign this form as a statement of your non-filing. We will resume processing and determining aid eligibility once we have received your signed 2018 tax return or this signed statement below:

Source of Income for 2018 (taxed or untaxed)	Amount Received	Was a 2018 W-2 Issued? If yes, attach a copy

I attempted to obtain the Verification of Non-Filers letter from the IRS or other tax authorities and was unable to obtain the required documentation.

I have not filed, and I am not required to file a 2018 federal tax return (1040). I further certify that all documentation submitted for the purpose of awarding federal funds is complete and correct.
