Associations:

The Benevolent and Protective Order of Elks

- Member from 2008-2010
- Participated in several fundraising programs for cerebral palsy

Awards and Honors:

- Achieved the rank of Eagle Scout with Boy Scouts of America, August 2001
- Awarded Dean's List 8 out of 8 semesters at the University of Toledo
- Awarded President's List 6 out of 8 semesters at the University of Toledo
- Awarded Lambda Kappa Sigma's "Big Brother of the Year Award", December 2006
- Awarded Drug Mart's "Best in Class Pharmacy", 3rd quarter of 2012

Software/Programs:

- Developed a system to significantly cut pharmacy costs by using inhalers for multiple patients in the hospital (9/2008). This system is still being used at Marymount Hospital in Cleveland, OH.
- Developed a personal nutrition calculator and TPN calculator for Heather Hill Rehabilitation hospital in Chardon, OH. This is still in use today.
- Developed a Microsoft Excel spreadsheet to track pharmacy technician inputting errors. This software is being used by several Wal-Mart pharmacies to hold their technicians accountable for mistakes.
- Developed a Microsoft Excel spreadsheet to serve as a tool to help schedule hourly associates. This software is being used by several Wal-Mart pharmacies to insure accuracy when scheduling their hourly employees.
- Assisted in implementing a new program for syncing a patient's medications to one date so that all prescriptions could be picked up on the same day. This made it possible for patients to make a single trip to the pharmacy as opposed to multiple trips every month. The program is titled the "Med Sync Program."

Presentations:

- "Operation Pyramid: A Guide to Healthy Eating" (11/12/06)
- "Retail Reprioritizing" (3/12/07)
- "MTM Business Plan" (4/3/07)
