

## **Master's Degree in Business Administration**

Length of Program: 2 years, 36 Credit Hours

### **Program Description**

To prepare students for professional opportunities in business administration by offering and giving them a background in the functional areas of a business in this modern world. Students will develop business and leadership skills through a unique learning style and get the ability to lead innovation through real-world projects. Besides, students will be able to strengthen leadership skills through the MBA cores, and gain unique capabilities through different types of electives, tracks, and concentrations.

The program is designed to be completed following a prescribed order provided below in the credit hour breakdown.

All courses must be completed with a passing grade prior to registering for CAPS500 except the following co-requisites:

- IBUS 500 International Business
- PJMG 500 Project Management
- ETDM 500 Ethical Decision Making- Business and Culture

### **Program Outcomes**
